MEMORANDUM FOR: Chief, Reston Projects Office

FROM:

[Redacted]
Chief, Administrative Staff, FBIS

25X1

SUBJECT: Parking Enforcement at Reston

1. With the reconfirmation in January by the Office of General Counsel that the Office of Security, SPS, has jurisdiction and authority to issue parking citations on all leased property including Reston, we would appreciate your assistance in its implementation. An announcement of the policy would be more appropriate from your office than ours.

2. At this time, we are only concerned with those reserved areas marked for visitors, official, handicap, car pool, shift parking, and designated individuals. With the exception of visitor's parking, policing should be by complaint only and citations issued in these areas only if the required permit is not displayed. Although general permits have been issued, we do not feel that SPS time need be spent policing the general parking areas unless congestion worsens. If we may be of assistance, please let me know.
